****To determine the paint color to use for your shutters and front door, please match the existing color with the corresponding paint color in parenthesis listed above. Home Depot can duplicate any Sherwin Williams paint color if the homeowner supplies the correct Sherwin Williams Color & number –cost is about \$10 cheaper.**

Metal Bay Roof Color = Must match color on shutters and doors

NOTE: When it is time for you to refresh your exterior paint colors, please repaint using the existing colors – Front door, shutters and bay cap should all be painted the same color.

Approval for existing colors is required – submit your ACC Modification Request Form.

Please contact the management company if you have any questions.
